Woman's Day reviews the best products hot off the shelf this week for you and your family to enjoy!

✦ GIVE EYES A LIFT

The delicate skin around your eyes is particularly susceptible to the signs of ageing: wrinkles, eye bags, sagging skin and more. Normal anti-ageing eye creams aren't always enough to fight these signs, so L'Oréal Paris created **Revitalift Double Lift Eye** – a double-action breakthrough for the eyes. It combines a moisturising anti-wrinkle cream with an extreme lifting gel to completely transform your look. You'll find new L'Oréal Paris Revitalift Double Lift Eye (15ml) at pharmacies, department stores and supermarkets, rrp \$32.45.

✦ PRINGLES ZING!

Next time your girlfriends are gathering, put some zing into your gossip session with new gourmet **Pringles Light** flavours. They'll love the flavour of Lightomas Greek Style Cheese with a touch of Avocado Oil. Or, if their taste leans to the exotic, try **Spicy Thai** with a touch of Coconut Oil. With 30% less fat than regular Pringles, Pringles Lightomas are too tempting to resist!
