ANNA WARWICK

and Away in my flying Machine... Taking the controls of a plane – what a rush – it is the sexiest, most terrifying adventure ever! Before you get on down to [Shell Harbour](#) and visit [NSW Air](#) a half hour flying lesson. It's 80 bucks for a ride of your life. The plane was as old as me – circa 1975 I'm guessing – apparently the oil on a plane is checked every fifty hours so they can last forever. It was also tiny – here "box in the sky" as a super cute young flying
